

**HARVEST BOARD OF DIRECTORS
PUBLIC MINUTES
5 OCTOBER 2009**

Attending: Betsy Adams, Matt Altman, Steve Clifford, Jessie Grogan, Chris Lively, Don Pierce, Joe Slag, Diane Simpson (board administrator).

Absent (Excused): Jessie Myszka

Meeting minutes taken by Diane Simpson.

Meeting commenced at 7:10 p.m.

Announcements

Diane S. announced that the file cabinet reorganization project was completed. Both file cabinets have been purged of duplicate, unnecessary, or irrelevant materials and are now in usable condition. In addition, the old unlocked file cabinet has been discarded and a new (secondhand) locking file cabinet has been purchased to replace it.

Q: Can we keep board supplies in there, since it locks?

A: Yes, all four drawers of this cabinet lock. We have some room for supplies.

ACTION ITEM Diane S. to purchase dry-erase markers for the board and keep them in the locked file cabinet.

Steve C. announced that he had done some research comparing the benefits offered by Whole Foods with those offered by Harvest. He said that we compare very favorably with Whole Foods and that they do not have some of the benefits that we have.

Second Reading of Proposed Election Bylaw Changes

The only new item: Giving the board the ability to change term lengths so that an empty seat is not perpetuated for three years. Everyone now will have three-year terms. The board needs to have the ability to change term length so that all terms match up.

There was a brief discussion of how to decide who would get the shortened term, but in light of the fact that the current board would not use this new power, it was decided to leave that decision up to the new board.

Motion: Approve Election Bylaw Changes

Jessie G. moved; Chris L. seconded. Approved 7-0-0

Steve C. spoke briefly about having retiring or retired directors doing recruitment. This way current board members would not have to recruit. He noted that the cost of the legal work for the bylaw changes was a thousand dollars.

Annual Meeting Planning

Steve C. gave an overview of the agenda for the annual meeting. It will focus on the big picture and what the board does. For his part of the presentation Steve will mention Harvest's values and let the treasurer get into the details.

There was a brief discussion as to whether to include a slide about exactly how the board guides and monitors the general manager. Ultimately it was decided to simply talk about it while presenting the slide below.

It was suggested that the presentation include language about strengthening the feedback loop, i.e., encouraging members to talk to directors on tabling nights and also encouraging them to attend board meetings.

ACTION ITEM Don P. to check password on board@harvest.coop; get it to Diane S.

Comments and suggestions:

- Spend five minutes at the meeting taking member comments.
- Can we have a feedback phone?
- How about an online comments form?
- Have it say “Make the co-op *financially* sustainable” on page 9.
